

America's strength and prosperity are testaments to the enduring power of our founding ideals, among them, that all men are created equal, and that liberty is God's gift to humanity, the birthright of every individual. The American creed remains powerful today because it represents the universal hope of all mankind.

On the Fourth of July, we are grateful for the blessings that freedom represents and for the opportunities it affords. We are thankful for the love of our family and friends and for our rights to think, speak, and worship freely. We are also humbled in remembering the many courageous men and women who have served and sacrificed throughout our history to preserve, protect, and expand these liberties. In liberating oppressed peoples and demonstrating honor and bravery in battle, the members of our Armed Forces reflect the best of our Nation.

We also recognize the challenges that America now faces. We are winning the war against enemies of freedom, yet more work remains. We will prevail in this noble mission. Liberty has the power to turn hatred into hope.

America is a force for good in the world, and the compassionate spirit of America remains a living faith. Drawing on the courage of our Founding Fathers and the resolve of our citizens, we willingly embrace the challenges before us.

Laura joins me in sending our best wishes for a safe and joyous Independence Day. May God bless you, and may God continue to bless America.

George W. Bush
